

You already know the four steps of the improvement KATA from previous lessons.
 You also know the Hamburger Method of writing a good comment.

THE FOUR STEPS OF THE IMPROVEMENT KATA

→ Introduction

→ Main Part

5 Paragraphs
 Each consisting of an Argument
 Explanation & Examples

→ Conclusion

Task:

Combine the two concepts to improve your writing skills.
 Answer the following questions to establish target conditions which you want to achieve.

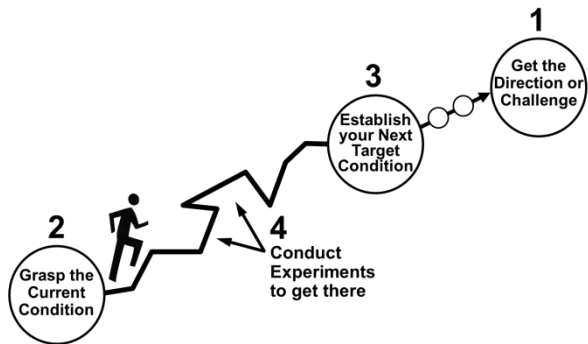

Your challenge:				
Achieve a better result in the next class test by improving the structure / style of your comment.				
Current Condition: What is currently criticised about your comments? What do you want to improve?				
Target Condition (=Zwischenziel): Which target condition would you like to achieve next? When do you want to achieve it?				
Experiment: What will you do to achieve the target condition? When?	• • • •	• • • •	• • • •	• • • •

You already know the four steps of the improvement KATA from previous lessons.

&

You know that you have to learn new vocabulary each week, which will be subject to vocab tests.

THE FOUR STEPS OF THE IMPROVEMENT KATA

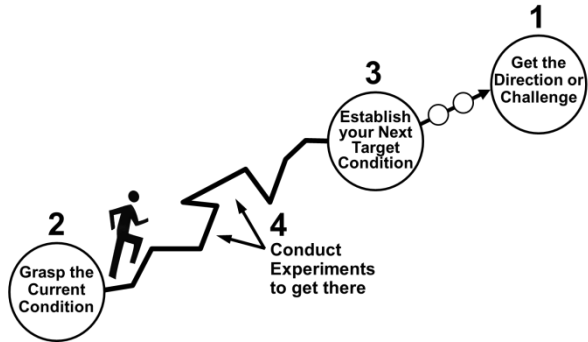

Task:

Combine the two concepts to get better marks in the vocab tests. Answer the following questions to establish target conditions which you want to achieve.

Your challenge: Learn all the words of this week's word list including the examples. → Achieve a better result in the next vocab test by learning all the words strategically.				
Current Condition: How many words do you already know?				
Target Condition (=Zwischenziel): How many words would you like to know out of this week's word list?				
Experiment: What will you do to achieve the target condition? When?	• • • •	• • • •	• • • •	• • • •
